

The Boone County Health Unit and North Arkansas Regional Medical Center will be providing COVID vaccine during the Harrison IPRA rodeo!!

September 30th, October 1st and 2nd

We will have the Pfizer and the J&J vaccine on hand for anyone who would like to get vaccinated. You don't have to be a local resident to receive the vaccine.

We will be at the rodeo arena from 6:00 pm to 8:00 pm all three nights of the rodeo.
