- 4.12. DEFINITION: For avoidance of doubt and clarification as it applies to the RCC WCRA Major payout, the following defines the difference between an Event Champion and an Event Winner.

- 4.12.1. An Event Champion is a Athlete/Team that has recorded the highest score/fastest time in the Triple Crown of Rodeo Round **and** has placed first in the final event results of his/her discipline solely by himself/herself. To be an Event Champion, Athlete/Team must meet all Triple Crown of Rodeo eligibility requirements. Athletes/Teams with tied scores/times in the Triple Crown of Rodeo Round are not considered Event Champions. An Event Champion **is** eligible for the Triple Crown of Rodeo bonus program
- 4.12.2. An Event Winner has not posted a qualified score/time in the Triple Crown of Rodeo Round **and/or** has not placed first in the final results of his/her discipline solely by himself/herself but rather is in a tied situation for first. Event Winners **have not** met the minimum Triple Crown of Rodeo requirements and are **NOT** eligible for the Triple Crown of Rodeo bonus program.
- 4.13. Splits:
- 4.13.1. All timed event splits must be declared one (1) hour before the event start time.
- 4.14. Turn Outs and Non-Entries:
- 4.14.1. If an eligible athlete qualified via a Segment Leaderboard does not enter during the designated entry time period, they will be replaced by the next eligible alternate from the master event athlete list.
- 4.14.2. If an eligible athlete qualified via a Segment Leaderboard draws out of the event before entries close, their position will be filled by the next eligible alternate from the master event athlete list.
- 4.14.3. If an eligible athlete qualified via a Segment Leaderboard turns out of the event after entries close, their position will be filled by the next eligible alternate.
- 4.14.3.1. The penalty for a notified turnout is \$500.00 or forfeiture of all entry fees, whichever is greater.
- 4.14.3.2. The penalty for a non-notified turnout is \$500.00 plus forfeiture of all entry fees and/or applicable stock charges associated with the entry. The athlete cannot participate in the WCRA platform until the penalty fee is paid.
- 4.14.3.2.1. The athlete will not be allowed to earn a competition position at the event in the same discipline via alternate qualifying methods, inclusive of entry in the OPEN.
- 4.14.4. Any athlete that turns out and is not replaced within the designated time period or is a non-notified turn out, the athlete will not be eligible to participate in the WCRA platform for a minimum of the next WCRA segment and up to a maximum one (1) calendar year. The athlete will also forfeit any and all fees or payments made in relation to the ineligible WCRA segment.
- 4.14.5. The ineligible period and fine amount for any penalties will be determined by the WCRA Competition Committee and an event Promoter Representative.
- 4.14.6. Turn Out Due to Doctor Release: Athlete must give notice to Event Arena Secretary no later than 3 days before his/her scheduled Performance, or upon the occurrence of a physical injury if it occurs less than 3 days before the Performance. In order to be eligible to be Excused, the Athlete must provide, prior to Athlete's first scheduled competition time, a written medical doctor verification on doctor's letterhead bearing the doctor's name, address and phone number, signed by a licensed doctor explaining the injury and recommending that the Athlete not compete in the Event. The doctor's note must be dated no later than 3 days after the alleged injury occurred.
- 4.14.7. Turn Out Due to Visible Injury: An Athlete may turn out due to visible injury, provided notification of such a turn out is authorized by official Event Sports Medicine trainer or Event doctor at Event.
- 4.14.8. Turn Out Due to Vet Releases: Vet releases will only be accepted in the Barrel Racing Discipline and must be on signed letterhead from a licensed veterinarian.
- 4.14.9. In the Team Roping, if a header or heeler notifies TO, NNTO, VIR, DR, or DO leaving an incomplete team, the next Athlete in the corresponding category (header or heeler) will be added to the team. If an alternate is not found prior to the Athlete's competition time, the remaining partner may select another partner from among any of the Event Athletes already entered in Event, except those scheduled to compete in that same Discipline that have not already entered the maximum allowed times.
- 4.14.10. Other: RCC Competition Committee may Excuse an Athlete from competing in a Performance, staying at the Performance for the designated times, or otherwise altering the terms of the Athlete Agreement, but only in its sole and absolute discretion.
- 4.14.10.1. Due to PBR sanctioning, PBR Athletes that are required to participate in the PBR Unleash the Beast Tour, PBR World Finals or PBR Teams event that also have qualified to the final performance of a WCRA Triple Crown of Rodeo event will be excused from the final performance without penalty.
- 4.15. Trades
- 4.15.1. The RCC event format will allow competition position trades in the WCRA Progressive Round only.
- 4.15.1.1.1. Athletes are allowed a maximum of two trades.

 - 4.16.2.1. Times in the Steer Wrestling, Team Roping, Tie-Down Roping, Steer Roping and Breakaway Roping will be recorded to the hundredths of a second.
 - 4.16.3. Barrel Racing times will be recorded to the thousandths of a second by electronic eyes. Dual timers eyes will be used. One set of timer eyes will be the primary recorded time. The secondary timer eyes will be the first back up time used.
 - 4.16.4. If backup times from stopwatches are required to be used at any time during the event competition a minimum of two (2) handheld stopwatches will be used and averaged to record times to:
 - 4.16.4.1.1. Team Roping and Breakaway Roping – the tenths of a second.
 - 4.16.4.1.2. Barrel Racing – the hundredths of a second.
 - 4.16.5. Riding Event disciplines will be scored in half points for both athlete and stock

5. STOCK DRAW

- 5.1. An Athlete may draw/draft a competition animal that they have previously competed on during the event based on the following:
 - 5.1.1. The animal is not redrawn during a segment of the competition that includes an aggregate.
 - 5.1.2. The athlete redraws the competition animal in a subsequent round or set of rounds during the event that starts as a clean slate.
- 5.2. Timed Events:
 - 5.2.1. Stock will be drawn at least two hours prior to the start of the competition each performance.
 - 5.2.2. The stock will be drawn in order of the athlete's WCRA merged RCC23 and DY23 Leaderboard ranking per performance
 - 5.2.2.1. Progressive Round stock will be the fastest times from the Qualifying Rounds.
 - 5.2.2.2. TCR Round and Showdown Round stock will be from the fastest runs from the combined Progressive Round performances.
 - 5.2.2.2.1. TCR Round stock will be from the top three (3) fastest runs in the Progressive Round. The next fastest runs from the Progressive Round will be used in the Showdown Round inclusive of two (2) extras.
 - 5.2.2.2.2. If not enough qualified times, the combined Qualifying Rounds times will be used.
 - 5.2.3. TCR Round – The stock will be drafted immediately following the discipline conclusion in the Showdown Round at the rodeo secretary office. Draft will be in order of advancement with fastest time/highest score drafting first.
 - 5.2.4. If a timed event animal escapes, or a re-run is due for any other reason during a performance, the extra will be used. Only escaped animals go back into the herd.
 - 5.2.5. Steer Roping - Extras will be used to replace sick or injured animals. (The misdraw procedure will not be used).

5.2.6.RCC Competition Committee reserves the right to select the appropriate stock from the competition herd to be used in the Progressive Round, Showdown Round and/or Triple Crown Round. Selection of this stock may or may not be based on previous competition times within a discipline.

5.2.7.Misdraw procedure will be determined by the event officials.

5.3. Riding Events:

5.3.1.Progressive & Showdown rounds - The stock will be drafted in order of the athlete's WCRA Leaderboard qualification per performance (highest position picks first).

7. TEAM ROPING PAIRING & LEADERBOARD RULES

7.1. Athletes are not allowed to have more than one (1) identical Header/Heeler pairing combination at any time during the event.

7.1.1.A paired combination must maintain the pairing during any advancement rounds the team has qualified to participate in as long as there are no identical team pairings participating in the event.

7.2. Once the competition pairings are set from the WCRA Leaderboard qualifiers; entries will open, and each individual Header and Heeler must enter the event through the Rodeo Logistics entry tool – EntryTool.com.

7.3. Headers/Heelers competing in the WCRA Qualifying Rounds

7.3.1.In the event there is an uneven number of headers/heelers, any vacancies must first be filled with the eligible headers/heelers from the master athlete alternate list.

7.3.2.Once all eligible headers/heelers have declared a partner and all alternates have been exhausted, the remaining headers/heelers without a partner will be allowed to choose a partner from the remaining field of entered athletes.

7.3.2.1.1. Once an eligible athlete selects a competition partner from the field of entered and eligible athletes to complete the team pairing, the selected partner athlete will be required to pay all applicable nomination/entry fees. The added athlete will be eligible for all payouts and advancement opportunities.

7.4. WCRA Leaderboard –

7.4.1.Each eligible athlete's individual point total from the Segment Leaderboards final audited standings as of April 13 will determine eligibility to participate in RCC.

7.4.1.1. Segment RCC23 Leaderboard - the top 48 Headers and top 48 Heelers will be eligible to participate in Rodeo Corpus Christi.

7.4.1.1.1. Combined partner point totals after the pairing deadline will determine the team's competition placement in the Qualifying Rounds.
